The Gift of a Father

People have said a lot of amazing things about what God, through the Redwood Gospel Mission, has done for them. But one of the most beautiful statements ever uttered is Brandon's, who says, ***"The Mission gave me a father."***

But the Mission didn't only give him a father. Because the Mission gave him a father, Brandon himself met Jesus – and so did his mom. And now, Brandon and his wife lead worship every Sunday for the young adults ministry at their church.

The transformation started over 20 years ago, with Brandon's stepfather, Ken.

Back in the 1990s
